

# Environmental Bingo

Find a person who matches a square, ask their name and write it in. You may only ask each person ONE QUESTION before moving to another person. You CANNOT get answers from group you came with ... it's a GET ACQUAINTED game.

You can come back and ask the same person again if you've already asked everyone in the room. (not too likely!)

You cannot ask yourself....nice try, though!

You need to get 5 across, down, or diagonally to win. Yes, there will be a prize. ☺ Answers will be verified for accuracy.
